Energy Efficiency Rating	Environmental Impact (CO ₂) Rating
<p>England</p> <p>The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills are likely to be.</p>	<p>England</p> <p>The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.</p>

Further Information and Viewing - These new homes are under construction. Site access is restricted but the site can be seen from the perimeter fencing. In the event of accompanied site access being permitted, health & safety requirements will apply, and sturdy footwear must be worn. For further information or to view please contact:

Postal addresses and postcodes are to be confirmed by the local authority and Royal Mail and may vary from the plot numbers and site/development name/address used for marketing purposes.

Energy Efficiency Ratings are available upon request. Where a property is not yet complete these will be Predicted Energy Assessments (PEA) rather than Energy Performance Certificates (EPC). The PEA might not represent the final energy rating of the property on completion.

Reservation Procedure – These new homes are available for purchase. Reservations are subject to payment of a £1,000 reservation fee, which will be used as part payment of the purchase price. If a purchaser cancels the reservation or fails to proceed in accordance with the reservation agreement, the vendor will reimburse the reservation fee but deduct an administration charge to cover expenses and costs. Purchasers are usually required to exchange contracts and pay the balance of the contractual deposit within 6 weeks of receiving a contract. Legal completion at this stage will be subject to notice. Any proposed completion dates are subject to change and confirmation. Reservation fees are payable to Snell Developments Limited. Reservations are subject to availability.

To make a reservation please contact:

John Shaw FRICS, Sales Agent.

SNELL DEVELOPMENTS RECENTLY COMPLETED NEW HOMES AT ST JOHNS CROFT, CONONLEY, BD20 8LS

The Snell Family have been undertaking housing developments for over 40 years and have earned a reputation for the high quality of their homes. They oversee every detail from design to the finished product. They pride themselves on the homes they develop and believe their superior finish and specification makes them stand out from their competitors. They have undertaken numerous developments around the area. Their developments are traditional in style to harmonise with the surroundings whilst providing spacious interiors, offering contemporary design and specification.

IMPORTANT NOTE - The information contained in this marketing brochure and all other marketing material is for general guidance only. It should be noted that many of the images and pictures of the buildings, plans and surroundings are artist impressions or computer generated and are indicative illustrations only. Snell Developments Limited reserve the right to alter any part of the development, specification, floor plans and internal layouts as the scheme progresses. All measurements are approximate and have been estimated from architects plans and are therefore subject to change and confirmation. These particulars do not constitute an offer or contract of sale; any prospective purchasers should satisfy themselves with an inspection of the site/property as applicable. All illustrations are for identification purposes only and are not to scale. Measurements are estimated in metric and rounded to the nearest 5cm. Subject to Contract (ref JS.10.05.21).
